Boston Dragonflies

Size: Double bed

Pattern: *Magic 9 Patch*

Quilter: Terina Walton, Quilts with Attitude

I purchased the dragonfly fabric in Boston during our USA trip in 2010. The other batik fabrics came from Claire Ayling from Bali Batik Fabrics. I really enjoyed making this quilt, particularly as there are very few seams to match! I think that's where the magic comes in.

Monster Trains

Size: Single bed

Pattern: *Monster Train Strip Quilt* by Sheryl-Ann Schaefer, Bungendore Country Patchwork

Quilter: Terina Walton, Quilts with Attitude

I had never done a strip quilt before Sheryl-Ann had this quilt as a kit. It was a quick and easy one to make plus a lot of fun. I am keeping it to give to a special little man.

Lachlan's World

Quilter: Maureen Elgood (domestic sewing machine)

This quilt was a combined project by members who supplied the fabric and made the blocks. It was given to a little boy, Lachlan, who we felt deserved a special gift.
